

LyNkZ

BAND STORY

"LyNkZ, aka Kevin Stanley, became a junglist in late 98. After spinning for a few years, he began playing out in Eastern North Carolina. First, starting out playing house parties, then progressing to local clubs (The Dive, Punkys, The Cellar, Peasants, etc.). LyNkZ has always lived in Eastern NC, so becoming webmaster of endcnb.com worked out rather well for him. He began recording demos with DJ Mattius in 2005 on their own label, Dark N Dank Recordings. Soon after, LyNkZ & Mattius created subsidiary label, Splif In Da Sky Recordings, in 2006, dedicated to liquid drum & bass. LyNkZ enjoys & plays all flavors of dnb from liquid to nuerofunk to darkstep."
