Alfonz along with combat records owner M1D1 started M.I.A. in mid 2006 after a discussion about the state of the local dnb scene in Chicago and the lack of clubs, raves and under-grounds dedicated to the harder drum n bass sounds. Since his start in 1994 Alfonz has played Los Angeles, New York City, Albany, Houston, Mcallen, Philadelphia, Denver, Milwaukee, Kalamazoo, Phoenix, Miami, Columbus, Cleveland, Detroit, Troy, Madison, St Louis, Indianapolis and currently holds down a residency at Chicago's Smart bar @ "Big Bass Thursdays" a weekly low end frequency dance music night. Make sure to check out his blog on this Myspace for up to date info on where you can download his latest mix. "mixing is like painting a picture, with each blend and knob you move is like a brush stroke adding a new element to the landscape" - 1994"
